

OCEAN MIST FARMS

Since 1924, **Ocean Mist Farms** has provided multiple generations of customers with the freshest Artichokes and vegetables, and is still **family owned**.

Called the **California Artichoke & Vegetable Growers Corporation** until 1995, **Ocean Mist Farms** is headquartered in Castroville, California — “**The Artichoke Capitol of the World**” and home of the annual **Castroville Artichoke Festival**.

Today Ocean Mist Farms is the largest grower of fresh artichokes in the country as well as 30 other fresh vegetables. An organic line of fresh vegetables, Ocean Mist Organic, was introduced in 2015.

Ocean Mist **artichokes are grown year-round** in three ideal **Artichoke growing areas of California: Castroville, Oxnard and Coachella**. The full line of **Ocean Mist** premium, **fresh vegetables** are also grown year-round in multiple growing regions with the most fertile ground and productive microclimates throughout California, Arizona and in Mexico.
