

Extraordinary Service at the Speed of Fresh

Bryan Nelson, Quality Assurance Manager

Bryan began his career at General Produce in 1986 as a Driver and worked his way up from there to Production to Will Call Sales to Inventory Control before being promoted to the lead of Quality Assurance. As the Quality Assurance Manager, he oversees the product quality of incoming and in-house produce and maintains inventory. He is HACCP certified and has been trained through the United Fresh Produce Association and U.S. Department of Agriculture's Produce Inspection Training Program.

He is a great leader who understands the dynamics of a good team and is always willing to assist others. Throughout his time at General Produce, he has been named the Employee of the Month three times.

In his free time, Bryan can be found spending time with his wife and two daughters or cheering for the Washington Redskins and strategizing in fantasy football.
