

Extraordinary Service at the Speed of Fresh

Michael McGonigle, Export Sales Manager

Mike has been in the produce industry for over 30 years and has held many positions in the industry, including sales and purchasing.

He has developed a special expertise in exporting fresh produce. Working as a liaison between growers, shippers and freight handlers, Mike is able to fully satisfy the needs of our export customers. Our Export Division is ever expanding as a direct result of Mike's personal care and positive attitude in dealing with inherent challenges of placing perishable goods on the water or in the air.

Mike left Southern California in 1998, where he was born and raised and pursued a new lifestyle in Sacramento, complete with what he calls "finding his dream girl" and a "great job" at General Produce.

His passions are traveling with his wife, golfing and playing poker.
